

# Zara Larsson, I Would Like

I didn't know that I could want you so deep  
As when I saw you with someone who is not me  
You got me playing in a game that ain't fair  
But you're taking me there, yeah you're taking me there

I can't help myself, it's human nature, human nature  
Who's to say what's meant to be?  
Why can't we be on our worst behavior, worst behavior  
When it all comes naturally

I would like to get to know you baby  
Like to get under your sexy body  
/2x

Under your sexy body /3x

What would you do, the way you hold it like that (like that)  
Looking at me to see if I'm the get-back  
Me and you boy, we gon' work tonight to leave, to leave  
Yeah you're leaving with me, leaving with me

I can't help myself, it's human nature, human nature  
Who's to say what's meant to be?  
(Who's to say what's meant to be?)  
Why can't we be on our worst behavior, worst behavior  
When it all comes naturally

I would like to get to know you baby  
Like to get under your sexy body  
/2x

Under your sexy body /3x
