

# Zara Larsson, Look What You've Done

And now they're playing out favourite song  
That e used to dance to  
Nights like tonight  
The paint is fading  
Feels so amazing  
To know you hurt me for the last time

So i ain't crying anymore  
Stronger than i was before  
You keep calling me again  
But i keep dancing anyway

Cuz now that you're gone  
I am numer one  
But, i should thank you for who i've become  
Don't need no one  
This girl's having fun  
Watch me catch fire  
And look what you're done  
Look what you're done  
Look what you're done

The beat puts my body  
Next to somebody  
Ain't no more tears now  
I am lost in time  
Can't take your eyes off  
This new life taht i got  
Boy i shpould thank you  
Cuz this body shines

So i ain't crying anymore  
Stronger than i was before  
You keep calling me again  
But i keep dancing anyway

Cuz now that you're gone  
I am numer one  
But, i should thank you for who i've become  
Don't need no one  
This girl's having fun  
Watch me catch fire  
And look what you're done  
Look what you're done  
Look what you're done

Baby, can't you see  
What you've done to me?  
Look what i've become  
Look what you're done  
Look what you're done

Cuz now that you're gone  
I am numer one  
But, i should thank you for who i've become  
Don't need no one  
This girl's having fun  
Watch me catch fire  
And look what you're done  
Look what you're done  
Look what you're done  
Look what you're done  
Look what you're done
