

Zayn Malik, LIKE I WOULD

Hey what's up?
It's been a while
Talking about it's not my style
Thought I'd see what's up
While I'm lighting up
It's cold-hearted, cold-hearte
Know it's late, but I'm so wide
So you facing God inspire
Coz you let it go, now you're good to go
It's cold-hearted, cold-hearte

This probably gonna sound wrong
Promise it won't last long
If we can never go back
Thought you'd like to know that:

He, won't touch you like I do
He, won't love you like I would
He don't know your body
He don't do you right
He won't love you like I would
Love you like I would

Talkin' don't want me,
Coz I want you
Been thikin' it over, but I prove
So stop wasting all my time,
Missing in my mine
It's cold-hearted, it's cold-hearted

This probably gonna sound wrong
Promise it won't last long
If we can never go back
Thought you'd like to know that:

He, won't touch you like I do
He, won't love you like I would
He don't know your body
He don't do you right
He won't love you like I would
Love you like I would
He can't love you like I would
He can't love you like I would
He don't know your body
He don't know your body

He, won't touch you like I do
He, won't love you like I would
He don't know your body
He don't do you right
He won't love you like I would
Love you like I would
