

# Zayn Malik, There You Are

Only you know me the way you know me  
Only you forgive me when I'm sorry

need you when i'm broken  
when I'm fixed  
need you when I'm well  
and when I'm sick  
friends that I rely on  
don't come through  
they run like the river  
but not you

can't see when I'm falling  
losing myself  
but then I here you calling

there you are  
there you are  
you're there with open arms  
there you are  
there you are  
and I run

whispers in the background  
behind closed doors  
got myself in a mess  
and with out you I'm in more  
I'm little drunk no  
that's why I went to war  
you are my sober  
when I'm on the floor

can't see when I'm falling  
losing myself  
but then I here you calling

there you are  
there you are  
you're there with open arms  
there you are  
there you are  
and I run

only you know me the way you know me  
only you forgive me when I am sorry  
even when I mess it up  
there you are

need when I am hot  
when I am cold  
need you when I am young  
when I am old  
you won't be far

can't see when I'm falling  
losing myself  
but then I here you calling

there you are  
there you are  
you're there with open arms  
there you are  
there you are  
and I run
