

Zdzisława Sońnicka, Nothing like you'll ever know

(From the musical "Tell Me On A Sunday")

Nothing like you'll ever know

That's the life

I thought that I was gonna show you

Made you choose the love of mine

That's one happy ever after

That I owe you.

Married man

Always looking at your watch,

I wanted to spend more time

And willed you too

Loving you.

And nothing like we ever dreamed

I'd have sworn that was the life

We would be living,

We were both expecting more

And we can't give any more

Than we are giving.

Something new

That is all it was, you know ;

It would have been better

If we stayed as we used to be,

But nothing like you'll ever know

That is how I thought all your tomorrows would be,

Every day I look at you

And I stop and think

How happy you still could be.
