

Zedd, 365 (ft. Katy Perry)

waking up next to you in the middle of the week
never need anyone to send me off to sleep
and I know I said go slow
but I can't hold back no more
got a premonition
this ain't gonna be a fling
you make a weekend feel like a year
baby you got me changing
24/7 I want you here
I hope you feel the same thing

I want you to be the one
that's on my mind
on my mind
on my mind
I want you to be there on a Monday night
Tuesday night
every night
how you gonna be the one's that's on my mind
365 all the time
I want you to be the one
to stay
and give me night and day

love it when you come back
and can't take when you leave
got me fantasizing our initials already
and I wanna just let go
falling deeper than before
say that you are ready
I'll get off in a heartbeat

I want you to be the one
that's on my mind
on my mind
on my mind
I want you to be there on a Monday night
Thursday night
every night
how you gonna be the one's that's on my mind
365 all the time
I want you to be the one
to stay
and give me the night and day

I think about you all the time
24/7 /365
I think about you all the time
24/7 /365

are you gonna be the one / 2x
I want you to be the one

I want you to be the one
that's on my mind
on my mind
on my mind
I want you to be there on a Monday night
Tuesday night
every night
how you gonna be the one's that's on my mind
365 all the time
I want you to be the one
to stay

and give me the night and day

I think about you all the time

24/7 /365

I think about you all the time

24/7 /365
