

Zedd, Alessia Cara, Stay

Waiting for the time to pass you by
Hope the wind of change will change your mind
I could give a thousand reasons why
And I know you
And you've got to

Make it on your own
But we don't have to grow up
We can stay forever young
Living on my sofa
Drinking rum and cola
Underneath the rising sun
I could give a thousand reasons why
But you're going
And you know that

All you have to do is stay a minute
Just take your time
The clock is ticking
So stay
All you have to is wait a second
Your hands on mine
The clock is ticking
So stay

All you have to do is
All you have to do is stay

Won't admit what I already know
I've never been the best at letting go
I don't wanna spend the night alone
I Guess, I need you
And I need you

Make it on your own
But we don't have to grow up
We can stay forever young
Living on my sofa
Drinking rum and cola
Underneath the rising sun
I could give a thousand reasons why
But you're going
And you know that

All you have to do is stay a minute
Just take your time
The clock is ticking
So stay
All you have to is wait a second
Your hands on mine
The clock is ticking
So stay

All you have to do is
All you have to do is stay
