

ZHU, Generationwhy

Something in the night is callin' me, yeah
Sayin': "Get up, get up
Get up, get up"
Somethin' in the distance is creepin':
"Closer, closer"

We feel the love and we're not ashamed /2x

I'm wake up to my nakedness
Coz I'm
Walkin' on the boat /3x
/2x

Hay
We're the people /3x
Of this Generation

We feel the love and we're not ashamed /2x

I'm wake up to my nakedness
Coz I'm
Walkin' on the boat /3x
/2x

Hay
We're the people /3x
Of this Generation

All the kids are wakin' up
And they're
Naked when the beat drops /3x
