ZHU x AlunaGeorge, Automatic

Some people take it far You need friction, but they try too hard and Ooooh, they just don't understand Too much pressure, it's supply demand

I don't think you know You open up my eyes, I'm alive I'm moving to your rhythm and your vibe I love it when the night, is started

Oh darling you are the only one, it's automatic No one can love the way you do, it's automatic When you walk in the room you change my mood, it's automatic It's automatic, it's automatic

Oh darling you are the only one, it's automatic No one can love the way you do, it's automatic When you walk in the room you change my mood, it's automatic It's automatic, it's automatic

The place that needs my touch I know you want it, but I can give too much Soooo, intoxicated baby You're in trouble, but you don't need no safe

I don't think you know You open up my eyes, I'm alive I'm moving to your rhythm and your vibe I love it when the night, is started

Oh darling you a're the only one, it's automatic
No one can love the way you do, it's automatic
When you walk in the room you change my mood, it's automatic
It's automatic, it's automatic

Oh darling you are the only one, it's automatic No one can love the way you do, it's automatic When you walk in the room you change my mood, it's automatic It's automatic, it's automatic

Baby boy, won't you come closer Baby boy, won't you get closer, to me

It's automatic, it's automatic It's automatic, it's automatic It's automatic, it's automatic
