

ZieZie, Make A Wish

Before you blow my candle make a wish (Make a wish)
Before we hit the club, give me a kiss (Give me a kiss)
When I ain't around, girl, who you with? (Who you with?)
Don't worry, I know you loyal, call you royalty (Royalty)
Before you blow my candle make a wish (Make a wish)
Before we hit the club, give me a kiss (Give me a kiss)
When I ain't around, girl, who you with? (Who you with?)
Don't worry, I know you loyal, call you royalty (Royalty)

Don't worry, I know you loyal for a guy like me
I got style so she stayin' with me
I know some hoes that won't stay for free
Gold diggers I ain't digging, no
[?]
Can't be playing with the nigga and the thugs
Just know I got it from the mud, so this money in my pocket
Be for me and not for you
Only lady worth it'd be a queen and that ain't you

But for a rider, I'll ride or die for you (For you)
Only time will tell with you (With you)
So I take my time with you (Take my time with you)

Before you blow my candle make a wish (Make a wish)
Before we hit the club, give me a kiss (Give me a kiss)
When I ain't around, girl, who you with? (Who you with?)
Don't worry, I know you loyal, call you royalty (Royalty)
Before you blow my candle make a wish (Make a wish)
Before we hit the club, give me a kiss (Give me a kiss)
When I ain't around, girl, who you with? (Who you with?)
Don't worry, I know you loyal, call you royalty (Royalty)

So tell me who you do it for? (For)
If I tell you, would you do it for me? (Me)
Zie's says, "Pull up", shawty, pull up on me (On me)
She a freak ho, on G
Sorry, lil' mama, man, I really got goal
Money haffi make, gotta get check
Get high, live then we finna live
Where you tryna go?
Fly her out to Paris and her man will never know

But for a rider, I'll ride or die for you (For you)
Only time will tell with you (With you)
So I take my time with you (Take my time with you)

Before you blow my candle make a wish (Make a wish)
Before we hit the club, give me a kiss (Give me a kiss)
When I ain't around, girl, who you with? (Who you with?)
Don't worry, I know you loyal, call you royalty (Royalty)
