

# Zucchero, Dunes of merci

Take my soul in my sorrow  
Ive been losing my mind  
Take my soul in my sorrow  
Walking on, dunes of mercy  
Dont cry, oh no  
Joy will dry your tears  
And misery  
Make it disappear  
Take my soul in my sorrow  
Like a babe at your breast now  
Take my soul and I follow  
Rolling on, dunes of mercy  
Dont cry, oh no  
Joy, youre not alone  
Oh shelter me  
Lord please take me home  
Babe let the feeling go  
Unchain my emotion  
Stay cause I need you so  
Oh never, never leave me  
So let the river flow  
Oh down to your ocean  
And let the rain fall  
Over me  
Take my soul in my sorrow  
Ive been losing my mind  
No yesterday, no tomorrow  
Walking in, dunes of mercy  
Dont cry, oh no  
Joy will dry your tears  
And misery  
Make it disappear  
Take my soul in my sorrow  
Walking on, dunes of mercy  
Take my soul in my sorrow  
Walking on, walking on  
Dunes of mercy  
Take my soul in my sorrow
