

# Zucchero, My Broken Heart

Took a message  
From my heart to you  
Want to tell  
What we're going through  
Disillusioned  
And troubled inside  
Is this all that left  
When love has died  
The air is heavy  
As the winds of change  
Blows through my life  
And I must rearrange  
All the colours of a world  
Sublime  
From the darkness  
Of this heart of mine  
My broken heart  
Has nothing more to lose  
A world a part,  
We make this sad song true  
Oh, oh, oh  
Oh, woh, oh , woh oh  
Just took a message  
From my heart to you  
Wanna tell you  
What we're going through  
Disillusioned  
And troubled inside  
Is this all that left  
When love has died  
I often wonder  
If you feel the same  
I've got to find a way  
To ease the pain  
Find the colours of a world  
Sublime  
From the darkness  
Of this heart of mine  
Now's the time to take control  
Of my life, my heart  
My soul wants to see  
The light  
I'll fly away on wings of gold  
My soul wants to see  
The light  
My broken heart  
Has nothing more to lose  
A world a part,  
We make this sad song true  
Oh, oh, oh  
Oh, woh, oh , woh oh  
Just took a message  
From my heart to you  
Wanna tell you  
What we're going through  
Disillusioned  
And troubled inside  
Is this all that left  
When love has died  
Such desperation  
I've never know  
All these lonely nights  
That I spend on my own  
Until the day

I leave behind  
The darkness  
Of this heart of mine  
My broken heart,  
Well my broken heart's  
Got nothing left to lose  
... my broken heart
