

# Zucchero, Nothing to lose

I got nothing to lose but you  
Baby  
I've fallen out of control  
I got not nothing to lose but you  
Save me  
It's gonna change tomorrow, saying  
I got nothing to lose but you  
See me  
Just walking a dog in your street  
I got nothing to lose but you  
Take me  
And wipe away this sorrow  
I got nothing to lose but now  
Nothing to lose but you  
I got nothing to lose girl  
Nothing to lose but you  
I got nothing to lose now  
I got nothing to lose but you  
I got nothing to lose  
I got nothing to lose now  
I got nothing to lose but you  
Baby  
I'm praying can you hear me . . .  
I got nothing to lose but you  
Nothing  
Nothing but you to remember . . .sweet  
Everyday I will try to reach you  
What can I do  
If you still live in my mind  
I got nothing to lose but you  
Tell me  
Then I will not surrender  
I got nothing to lose  
. . . .  
Could it be a bit of my lifetime  
Shaking me I'm a believer  
It never really came to blows  
Just think it's over in no time  
Maybe that's how love grows  
Who knows  
Love grows
