## Zucchero, Who Will The Next Fool Be

After you get rid of me who will the next fool be? I know, I know, I know There's things he'd like to know about the girl that I love so.

'Cause after all is said and done You wont be satisfied with anyone So after you get rid of me Who will the next fool be?

Will he believe all those lies? End up like me with tears in his eyes I know, I know, I know And I'd like to be the one to tell him so.

'Cause after all is said and done You wont be satisfied with anyone So after you get rid of me Who will the next fool be?

Will he believe all those lies End up like me with tears in his eyes I know, I know, I know I'd like to be the one to tell him so.

'Cause after all is said and done You wont be satisfied with anyone So after you get rid of me Who will the next fool be?
